Orange County Labor Federation, AFL-CIO Resolution

Whereas; on June 18, 2020, a Los Angeles County deputy shot and killed 18-year-old security guard Andres Guardado. He was the son of Cristobal Guardado, a 14-year member of UNITE HERE Local 11.

Whereas; at this moment we are also reminded of the April 26, 2018 killing of UDW member Myra Micalizio who was experiencing a mental illness episode and who was shot 13 times in 20 seconds by a sheriff's deputy in Butte County, California

Therefore, be it resolved; The Orange County Labor Federation, AFL-CIO stands in solidarity with UNITE HERE Local 11, member Cristobal Guardado, his family and the community. We join with them in demanding an independent investigation and justice. In line with the National AFL-CIO, we stand against racism and injustice. We add our voice to the chorus of millions who are saying Black Lives Matter. We are stronger together when we all stand up against injustice.

And be it finally resolved; that the Orange County Labor Federation, AFL-CIO shall share this resolution on social media and shall mail this resolution to UNITE HERE Local 11, and the family of Andres Guardado, and mail it to all Local Unions and Labor Councils in the Region.
